

Rebel™ Leading Edge Self- Retracting Lifeline Family

Introducing the Rebel™ Leading Edge SRL Family

We've expanded our product line to help meet your jobsite fall protection needs. Users are now able to tie-off at foot level with the 6 m and 12 m Rebel™ Leading Edge SRL. The Rebel™ Leading Edge SRL requires no additional sharp edge sling extension to the unit. These products are put through extensive sharp edge testing to ensure protection against sharp, abrasive and leading edges found at construction sites. CE VG11.60 certification (0.5 mm radius).

With All The Features and Benefits You Trust, In Different Sizes

Lightweight, Durable and Affordable

The leading edge cable unit leverages our impressive Rebel™ Self-Retracting Lifeline technologies to continue to set the standard for performance and value.
