

EXOFIT NEX™

The Ultimate Full Body Comfort Harnesses

The ExoFit NEX™ Oil & Gas models combine the industry 1st innovations of the ExoFit NEX™ with additional features developed specifically for the needs of the on and off shore drilling environments. Shoulder connectors allow for a separate belly board belt to be attached to the harness for positioning while performing pipe work.

COMFORT

True to our NEX mission, we manufacture these harnesses using materials that won't add unnecessary weight.

FUNCTION

When speed and efficiency are project requirements, ExoFit NEX™ will provide the freedom and confidence to function at your maximum potential.

DURABILITY

ExoFit NEX™ harnesses are designed using materials that last.

TECH-LITE™ FULL-SIZE ALUMINUM D-RINGS

Extremely lightweight alloy commonly used in military and aerospace offers a higher level of comfort and security.

BELLY BOARD ATTACHMENT POINTS

Simple connection of Belly Board using corrosion resistant zinc plated buckles.

PASS-THROUGH BUCKLES

Simple connection system, won't clog with grime & debris.

INTEGRATED TRAUMA STRAPS

Straps provide an adjustable, continuous loop for post-fall, minimizing suspension trauma.

SEAT WITH LIFTING D-RINGS

Soft seat with removable rigid seat and torso lifting D-rings provides versatility for riding operations on the rig.

REFLECTIVE MATERIAL

On front and back – provides greater visibility of the worker in dark or dangerous environments. Reflective material is integrated on legs, chest, shoulders and back.

REPEL™ WEBBING

Water repellent to reduce attraction of mold and dirt – also has increased abrasion resistance.

REVOLVER™ VERTICAL TORSO ADJUSTERS

Simple and fast adjustments eliminate loose ends and locking into place, preventing slippage.

HYBRID COMFORT PADDING

Lightweight, moisture-wicking and breathable padding won't move or slip – always keeping the wearer comfortable.

HI VISIBILITY ORANGE STRAPS

Better visibility between worker and winch operator / banksman.

FALL INDICATORS

Simple indication that the harness has been involved in a fall and should be retired from service.

20KG RATED TOOL ATTACHMENT POINTS

For safe stowage whilst working at height.

VELCRO STORAGE STRAPS

Safely store the seat extension straps when not in use. Reduces trip & snarling hazard.

300MM REAR EXTENSION STRAP

Greater comfort and freedom of movement when connected to a Self Retracting Lifeline.

Item	Size	Weight (kg)
1114015	S	3.90
1114016	M	4.00
1114017	L	4.10
1114018	XL	4.20
